Introducing Swarovski

Luxury Is Built on Heritage

Luxury is built on heritage. Still run by the same family five generations after Daniel Swarovski established it in 1895, Swarovski is today the global leader for superb cut crystal, a byword for brilliance. Its proud heritage of leading-edge creativity and technological innovation began in Wattens, a beautiful market town in the mountains of Austria's Tyrol region.

Today, that legacy is recognized all over the world for its distinctive style, exceptional quality, and service that is second to none. By creating premium crystal products, Swarovski has elevated gift giving to an art form—the company takes pride in designing thoughtful, appropriate, elegant business gifts, and customizable pieces that express sentiments with grace and sophistication.

About this Collection
