Earning Tier Status

Swarovski Club Rewards are determined based on a minimum purchase value that you reach through your purchases ("Minimum Value"). A 'Purchase' for purposes of Swarovski Club Rewards means each time you use your activated, registered Swarovski Club membership number at Participating Stores in the following country/region: Australia, Austria, Belgium, Canada, Czech Republic, France, Germany, Great Britain, Greece, Hong Kong SAR, Hungary, India, Ireland, Italy, Japan, Luxembourg, Macau SAR, Malaysia, Mexico, Netherlands, New Zealand, Poland, Portugal, Romania, Singapore, South Korea, Spain, Switzerland, Taiwan region, Thailand, Turkey, and USA. Purchases excluded from Minimum Value include accessories (care and cleaning products); spare parts; repairs services; purchase and redemption of gift cards; Swarovski Crystal Society membership fees, and returns.

Swarovski Club Rewards consists of four (4) tier levels depending on the Minimum Value that you accumulate in your account. By registering at Swarovski Club, you will be automatically enrolled in Swarovski Club Rewards at tier level "Bronze". Spend two hundred fifty Euro (250 €) within the twelve (12) month period following your enrollment date and you will proceed to the tier level "Silver". Spend at least six hundred Euro (600 €) within the twelve (12) month period following your enrollment/upgrade date and you will proceed to the tier level "Gold". Spend one thousand two hundred Euro (1.200 €) within the twelve (12) month period following your enrollment date and you will proceed to the tier level "Platinum". Spend three thousand five hundred Euro (3.500 €) within the twelve (12) month period following your enrollment date and you will proceed to the tier level "Crystal"

Once you attain a tier level, it will remain in effect for twelve (12) consecutive months. After the twelve (12) month period, for you to re-qualify and maintain the same tier level you have attained, you must spend the applicable Minimum Value for the tier level. If you do not spend the Minimum Value in each consecutive twelve (12) month period, your tier status will be adjusted accordingly.

If you return any part of a purchase, the amount of the purchase for such returned portions will be deducted from the Minimum Value accumulated in your Swarovski Club account, and your tier level will be adjusted accordingly.

As soon as you have achieved a certain level within the Swarovski Club, you receive the benefits associated with this level at that time for a period of twelve (12) months. You also receive a one-time tier reward which you can re-qualify to receive again after twelve (12) months. All the available benefits and rewards can be redeemed only in your registered country/region of residence or the country/region of enrollment if the country/region of residence is not provided.

You can view and track your tier level, tier level balance, and available benefits and rewards on www.swarovski.com/club. Swarovski reserves the right to add, change, modify, limit, or cancel program rules, regulations, rewards, reward levels, tier-level benefits, and/or qualifications at their sole discretion, anytime with or without notice. This may include increasing levels, or the Minimum Value required for a reward, changing rewards, changing participating stores or eliminating any benefit. This may result in certain rewards not being available.
